

SHOWCASE FOR SKATERS

June 9 & 10, 2007

Produced by the Los Angeles Figure Skating Club, Inc.
Sanctioned by the USFSA
Approved by the ISI under 1974 Joint Statement of Policy

CLOSE OF ENTRIES: Saturday, May 12, 2007

RULES AND INFORMATION

1. BASIS OF JUDGING

Performances will be judged solely on theatrical and artistic qualities from an entertainment standpoint. Judging panels will be comprised of non-skating/celebrity judges and USFSA judges. Technical skating skills and difficulty are not marked. However, skating must be the major element of the performance and of sufficient competence to support the theatrical components chosen. The 6.0 system of judging will be used for all events. There will be deductions of .1 to .2 for falls which are not part of and interrupt the composition of the program.

2. QUALIFICATIONS

Open to USFSA, Basic Skills and ISI members

3. COSTUMES

Costumes should fit the performance. Excessive elaboration is unnecessary. They receive no mark. However, they may improve or diminish the effect of, hence the mark for, a performance.

4. PROPS/SCENERY

Props and/or scenery are optional. If used they must be placed and removed by the competitor(s) in a total time of one minute or two minutes by a group. Excess time may result in a deduction in the mark given for the program. Don't use them unless they are integrated into your performance.

5. CATEGORIES OF PERFORMANCE

- a. **Dramatic:** A serious emotional, artistic interpretation.
- b. **Comedy:** Very broad humor, clowning, pratfalls and laughter.
- c. **Light Entertainment:** Any performance not serious enough to be heavily dramatic nor broadly funny enough to cause general loud laughter.
- d. **Character:** The skater must be recognizable in appearance and performance style as a character from cartoons, movies, TV, etc. without explanation via announcer's introduction.
- e. **Extemporaneous Improvisation:** Any type of choreography/costume may be chosen by the competitor. The choreography will be created (without assistance) by the competitor during a private warm-up off ice 45 minutes prior to competing and during a three minute full ice warm-up. The same music will be used for each competitor in a group; no information concerning music chosen will be released until the first warm-up.
- f. **Pairs and Small Groups:** There are no performance categories for these classes. They are open. (See Note 1 under Section 6)
- g. **Compulsory Dance:** Couples may choose any compulsory dance. After one complete pattern, variations and free dance moves may be used or the compulsory pattern may be repeated. Vocal music is permitted.
- h. **Free Dance:** Couples choose their own music and patterns. No lifts, separations or other typical pair moves are allowed.
- i. **Production Groups:** A group variety performance usually built on a specific theme; mini show.
- j. **Theater on Ice:** Groups ask for Guidelines (There will be no reskates for this classification.)
